

**Mr. Rawlings** became Artesia's City Manager in 2013. Mr. Rawlings has overseen a number of Artesia's recent development projects including new pedestrian oriented improvements along Pioneer Boulevard that will tie into the new proposed Artesia Station on the Eco-Rapid Transit/West Santa Ana Branch Line. Mr. Rawlings has been one of the city managers instrumental in developing new transit oriented corridor policies for Eco-Rapid Transit. He also holds a bachelors of arts degree in business and a Juris Doctorate in Law.
